

Check-In

The quick version. The full guided journal is a separate companion product.

MORNING

Before the first Block

Today, I'm the kind of person who...

One thing I'm setting down before I start (worry, grudge, dread):

One thing worth remembering today:

EVENING

After the last Block

What actually happened today — not what should have:

One Block (or moment) I'm proud of:

One thing I'm carrying into tomorrow — and one thing I'm leaving here:

“You don't have to finish the day well. You just have to close it.”
